SAFEKEY PROGRAM

Safekey is a structured before and after school program for K-5th grade children. Safekey is offered at school sites and provides a variety of activities and social events such as arts and crafts, fitness activities and physical games that are facilitated by trained staff.

Children may work on homework during supervised free play time during the hours of Safekey, but we cannot enforce the completion of homework or ensure that it is done correctly. Safekey is a recreation-based program; we do not offer tutoring or homework help. This is to ensure that children are not misadvised on homework.

You must sign your child in and out daily. The person who is scheduled to pick up the child must be listed on the participation form and must show proper identification. Every child must have a new Safekey participation form on file for the 2017-18 school year.

PREPAID SAFEKEY PROGRAM

Safekey is a prepaid program. Each child must have an appropriate morning or afternoon pass on their account before they can attend. If no passes are purchased, the child will be sent to the school's office.

A \$10 late pick-up fee is assessed for every 10-minute increment the child stays past the scheduled program time, beginning at 6:01 p.m. The late fee is due at the time of pick up or before the participant returns to the program.

REFUND POLICY

Once payment has been received, there will be no refunds; credits will be given. A pass may be transferred if notice of non-attendance is given in advance. Transfer of a pass must be requested via phone to the main Safekey office at (702) 633-1608 prior to the start of the daily am/pm program. NO EXCEPTIONS. Late requests will not be accepted.

This is a lighted golf course!

The City of North Las Vegas Par 3 Golf Course and DiscGolfPark operates a 9-hole par 3 golf course and an 18-hole professional disc golf park. It is open seven days a week and offers the best value in the Las Vegas Valley. Open year round, both courses can be enjoyed by golfers of all ages and abilities. The club is especially user-friendly for seniors and beginners. The length of the Par 3 course is not intimidating, and there are no artificial hazards. At the same time, the small greens present a challenge for more accomplished players. Our professionally designed disc golf park offers the fun and challenges that every disc golfer craves!

Both courses are well maintained and offer gently rolling terrain with many mature trees and a great view of the Las Vegas Valley. Ours was the first lighted course in Nevada. Golfers can tee off as late as 4:30 pm in fall and 8:30 pm in

summer. A small coffee shop and a pro shop that features top of the line ball and disc golf products are located in the clubhouse.
